2023 DOYENNE SAUVIGNON BLANC
ARROYO SECCO AVA

Under Vine Since 1849 - The Valliant family farmed Eden Rift's mountain vineyard during the 1930s and 1940s. Doyenne pays tribute to the pioneering women in wine who have served as both mentors and leaders us. This wine reflects that spirit, a continuum of enological efforts along California's dramatic Central Coast - terrain featuring coastal mountains, situated atop the Pacific Plate, a tectonic plate of lifted seabed, along the Golden State coastline.

VINEYARD NOTES

Griva Vineyard is found in the heart of the Arroyo Seco AVA in Monterey County. It is a property divided by the Arroyo Seco River; a seasonal waterway bringing rain and snow-melt from the Santa Lucia Mountains to the Salinas River. Over millennia this tributary has migrated tons of eroded granite and shale downstream, with much of it coming to rest in what is today the Griva property. The river-washed 'galets' have collected in cobblestone beds and make up the meager surface soil, which diminishes yields.

CELLAR NOTES

Found in the Arroyo Seco's ancient, dried river channel, the vines of Griva Vineyard benefit from unobstructed exposure to Monterey Bay and its cooling, maritime influences. On the morning of October 14th , the winery received hand-picked bins of Musque clone (FPS 27) Sauvignon Blanc. The fruit was gently pressed and racked to tank for 24 hours of cold settling. The wine finished both alcoholic and malolactic fermentation over the next 6 months. Aging was in 80% New French Oak and 20% Acacia wood for 16 months prior to bottling in September of 2025. The wine was lightly fined with bentonite prior to botlting.

WINEMAKER NOTES

"This wine showcases the racy yet exotic nature of Musque clone. In the glass, aromas of nectarine, white grapefruit, starfruit, orange blossom and minerals shine brightly. Well-balanced the wine shows fresh acidity with nice weight and a long finish. The oak provides vanilla, honey and white floral notes that are seamlessly interwoven into this enthralling Sauvignon Blanc."

2023 SAUVIGNON BLANC
DOYENNE
ARROYO SECO, CA

HARVEST DATA

Harvest Date	October 14th, 2023
Vineyard	100% Griva Vineyard Musque Clone (27)
Avg. Tons/Acre	3.25

WINE DATA

Composition	100% Sauvignon Blanc
Fermentation	100% New Barrel
Aging	100% New French Oak 16 Months
PH	3.27
Total Acidity	6.7 g/L
Alc	14.5%
ML Fermentation	Complete
Bottling Date	Sep 8th, 2025
Release Date	Spring 2026
Case Production	112 cases
Retail Price	$40
